**"Dr. Miles' Nervine
Raised Me From
the Grave"—Mrs. Taylor**

This is a strong statement to
make, but it is exactly what Mrs.
Thomas Taylor, of Blum, Texas,
said in expressing her opinion of
this remedy.

"Dr. Miles' Restorative Nervine
raised me from the grave and I have
much confidence in it. I can never
say enough for your grand medicines.
If anyone had offered me \$100.00 for
the second bottle of Nervine that I
used I would have said 'no indeed.'"
MRS. THOMAS TAYLOR,
Blum, Tex.

Nervous exhaustion is a com-
mon occurrence of modern life.
The wear and tear on the nervous
system is greater now than at any
time since the world began. For
sleeplessness, poor appetite and that
"run down" feeling, nothing is so
good as

Dr. Miles' Nervine

Your nerves are your life and
lack of vital energy makes existence
a misery. Dr. Miles' Nervine will
tone up your nervous system.

Ask any druggist. If the first bottle fails
to benefit, your money is returned.

SUGGESTIVE QUESTIONS

On the Sunday School Lesson by
Rev. Dr. Linscott for the In-
ternational Press Bible Question
Club.

(Copyright 1910 by Rev. T. S. Linscott, D.D.)

May 19th, 1917.

(Copyright, 1910, by Rev. T. S. Linscott, D.D.)
Isaiah's Vision and Call to Service,
(Home Missionary Lesson.) Isa. vi.

Golden text—I heard the voice of
the Lord, saying, Whom shall I send,
and who will go for us? Then said I,
here am I, send me. Isa. vi:8.

(1.) Verses 1-4—Why did God give
this vision to Isaiah?

(2.) Do you think that any such
vision needs repeating? Why?

(3.) When we have any special Di-
vine illumination what is the advan-
tage of connecting it with some event,
or putting down the date, as Isaiah
seems to have done?

(4.) Did Isaiah or anybody else
ever see with the outward eyes, the
actual eternal God, and will He ever
be so seen?

(5.) Is there any reason to think
that Seraphim, or angels, are to be
seen everywhere in the universe, if
we had the media through which to
see them?

(6.) Verse 5—How was it that the
sight of the Lord made Isaiah con-
scious of his sinfulness?

(7.) What if any reason is there
to conclude that the use of coarse
slang, or profanity, proves the user
to be an impure man?

(8.) Which is the more effectual
way to reveal to sinners their guilt,
to correct them with words, or to
live pure lives before them? Why?

(9.) What effect does the teaching
of the spotless purity of Jesus have,
upon sinful men?

(10.) Verses 6-7—What is God's at-
titude to sinners who are conscious
of, and loathe themselves because of
their sins?

(11.) What is the "live coal," with
which the Seraphim touched the lips
of Isaiah, emblematic of?

(12.) What actually transpires in a
man's spiritual nature, when he comes
to God for the pardon of his sins?

(13.) What reason is there to think
that angels, or spirits, have anything
to do with the salvation, or the spiri-
tual comfort of men and women to-
day?

(14.) Verse 8—What class of men
and women does God need, and call
to be missionaries?

(15.) What are the indications that
God is calling to-day, with a loud
voice, for missionaries? (This is one
of the questions which may be an-
swered in writing by members of the
club.)

(16.) Is it possible for any person
to be in harmony with God who is not
willing to be a missionary, or to sup-
port a missionary, if the Lord should
so demand?

(17.) What reasons are there to
conclude that it is the duty of pas-
tors in these days, to look out for
suitable young men, and call them to
missionary work?

(18.) Verses 9-10—The prophet was
being sent to a people familiar with
God's message, and hardened in sin:
what is generally the doom of such
people?

(19.) What is the use of continuing
to preach to a gospel hardened peo-
ple?

(20.) When sinners hear the call of
God to repentance, and heed it not,
what change takes place in them for
better or worse?

(21.) Verses 11-13—It is very try-
ing to preach without results, but is
there anything in this story to indicate
that in time, a faithful servant of
God will surely cause some to hear
and turn to the Lord?

Remarkable Success of these Talented
Physicians in the Treatment
of Chronic Diseases

These doctors are considered by
many former patients among Ameri-
ca's leading stomach and nerve spe-
cialists and are experts in the treat-
ment of chronic diseases and so
great and wonderful have been their
results that in many cases it is hard
indeed to find the dividing line be-
tween skill and miracle.

Diseases of the stomach, intestines,
liver, blood, skin, nerves, heart,
spleen, kidneys, or bladder, rheuma-
tism, sciatica, diabetes, bed-wetting,
leg ulcers, weak lungs and those af-
flicted with long-standing, deep-seated,
chronic diseases, that have baffled
the skill of the family physician,
should not fail to call.

According to their system no more
operations for appendicitis, gall stones,
tumors, goiter or certain forms of
cancer. They were among the first
in America to earn the name of the
"Bloodless Surgeons", by doing away
with the knife, with blood and all
pain in the successful treatment of
these dangerous diseases.

If you have kidney or bladder
troubles bring a two-ounce bottle of
your urine for chemical analysis and
microscopic examination.

Deafness often has been cured in
sixty days.

No matter what your ailment may
be, no matter what others may have
told you, no matter what experience
you may have had with other phys-
icians, it will be to your advantage
to see them at once. Have it for-
ever settled in your mind. If your
case is incurable they will give you
such advice as may relieve and stay
the disease. Do not put off this du-
ty you owe yourself or friends or re-
latives who are suffering because of
your sickness, as a visit this time
may help you.

Married ladies must come with
their husbands and minors with their
parents.

Dear Sirs:—I thought I would
write a few lines to let you know
how we are getting along because I
think you would be glad to hear. My

has felt for 8 years after taking 2
months of your treatment. I will have
you give her 4 months more after this
4 run out if I can rustle the money.
I am feeling good myself after your
4 months treatment. I think a little
more treatment is necessary. Please
inform me in regard to this matter
if you think it is best.
